PROFESSIONAL EXPERIENCE

MICROVERSE | Mentor(volunteer)

April 2020 – Today | Remote

- Mentored junior web developers, providing technical support through code reviews.
- Proposed improvements to code organization to improve code quality and overall performance.
- Provided advice and tips on how to maintain motivation to maintain longevity in the program.

PCCI CAMEROON SA | Customer representative

June 2019 – Nov 2019 | Douala, LT

- Improved the NPS (Customer Satisfaction Rating) of the telecommunications company from 45% to 68% during the second quarter of 2019.
- Resolve problems encountered while using a product or service by customers

FREELANCE | Technical support specialist

Juin 2016 – Mai 2019 | Douala, LT

- Fixed several phone firmware issues, especially Android, Ios, and Windows phones.
- Help people by giving them advice on how to deal with certain software issues with their phones, tablets, or PCs

EDUCATION

MICROVERSE | Feb 2020 – Sept 2020

REMOTE FULL STACK WEB DEVELOPMENT PROGRAM, Full Time

| Remote

- Spent 1300+ hours mastering algorithms, data structures, and full-stack development while simultaneously developing projects with Ruby, Rails, JavaScript, React, and Redux.
- Developed skills in remote pair-programming using GitHub, industry-standard git-flow, and daily standups to communicate and collaborate with international remote developers.

UNIVERSITY OF DOUALA | Oct 2014 – July 2017

BACHELOR OF APPLIED MANAGEMENT SCIENCES

Graduated July 2017 | Douala, LT

Major: micro and macroeconomics, statistics

PROJECTS

WOTCHD | Github | Demo

May 2020 | Douala, LT

- An app that helps you track and collect your hours spent watching your entertainment TV shows
- It is fully developed with Ruby on Rails using a session-based authentication system, RSpec for testing, AWS S3 for image storage with Active Storage, and PostgreSQL for DB

PRIVATE EVENTS | Github | Demo

August 2020 | Douala, LT

- Private Events allows users to create events and invite other users to their events
- Developed with Rails 6, PostgreSQL

SNAKE | Github | Demo

August 2020 | Douala, LT

- The snake game developed using a functional programming approach and a breakdown of the code by module
- Developed with Javascript
